PATIENT

Lelath Anuradha

SEX

male

AGE

34 years

VISIT

03 Oct 2026

Medical report

Issued after a VersaLife video consultation.

To whom it may concern,

Lelath Anuradha was examined by me on 03 Oct 2026 by video consultation. I confirm that this person is under my care for the findings below.

CLINICAL IMPRESSION

Acute viral illness

FINDINGS

History of fever, myalgia and reduced oral intake. No respiratory distress on this video examination.

ADVICE

Drink more water. Rest. Return sooner if fever persists beyond 48 hours or breathing becomes difficult.

FITNESS FOR WORK

Unfit for work and routine duties

I have requested Lelath Anuradha to refrain from commitments and routine work.

Medical leave: 03 Oct 2026 until 04 Oct 2026 inclusive.

Expected to resume work on 05 Oct 2026.

Please grant medical leave from routine work for the dates above.

Yours truly,
